

*Serial No 10/765,193***REMARKS**

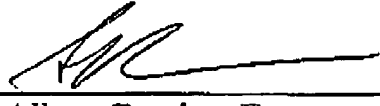

The Examiner has objected claim 1 under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out the subject matter which applicant regards as the invention. Applicant's proposed amendments obviate the Examiner's objections.

Additionally, the Examiner has objected claims 1 through 8 under 35 U.S.C. 103(a), as being unpatentable over Leaflet No. 8, 1983 in view of Tayag (PH26114). Applicant has adopted the Examiner's suggestions, to overcome the Examiner rejections by canceling claim 3 and adding the limitations of the cancelled claim into claim 1. Finally, Applicant has adopted the Examiner suggestions by amending claim 8.

On January 20, 2006, Attorney had a telephonic interview with Examiner Helen F. Pratt wherein they reached an agreement. Attorney thanks Examiner for the attention and time spent during the interview.

Applicant believes his application is now allowable and ready to be passed to publication and requests an early favorable action.

Respectfully submitted,  
Albert Bordas, P.A.
